* *Non-Dealing Dates:* Please note that there will be two banking days of non-dealing during which the subscription and/or redemption of units cannot be carried out (including transactions such as fulfilling single premium payments, top-up premium requests, fund switch requests, partial withdrawal/ full surrender/ claim requests or your exercise of the free-look option which necessarily lead to the subscription or redemption of Units). The non-dealing days will occur immediately before the Record Date, i.e. on the 8th and 9th banking day of March, June, September, December. All the subscription and/or redemption of units shall be transacted based on the prevailing unit as at the valuation day after the non-dealing days.

** *Record Date:* Record Date is the date which you will be entitled to a recently announced dividend if you have units credited and held in your policy, as evidenced in our records.

IMPORTANT NOTES:

• Dividend Distribution

- The AIA Global Dynamic Income-Paying Fund – Peso intends to provide quarterly dividend distribution every March, June, September, December. AIA Philippines has the sole discretion to determine the dividend distribution rate and frequency of the distribution.
- Policy holders who are invested in AIA Global Dynamic Income-Paying Fund – Peso and have units credited and held in their policy as at Record Date, as evidenced in our records, will be entitled to dividends.
- There will be two banking days of non-dealing during which the subscription and/or redemption of units cannot be carried out. The non-dealing days will occur immediately before the Record Date. All the subscription and/or redemption of units shall be transacted based on the prevailing unit price as at the valuation day after the non-dealing days.

• Dividend Distribution Risks

- Dividends from the underlying fund(s) may be adversely affected by (amongst others) investee entities suffering unexpected losses and/or paying lower than expected dividends.
- AIA Philippines intends to distribute dividends from the income and/or net realised gains of the AIA Global Dynamic Income-Paying Fund – Peso, and AIA Philippines maintains the discretion to distribute dividends out of capital. Where dividend distributions are made out of capital, it may lead to a reduction in investor's original investment and may also result in reduced future returns to the investor.
- Both capital and dividend distributions are non-guaranteed.
