When you're hospitalized, recovery should be your top priority. Your hospital bills shouldn't add to your worries. That's why there's AIA Med-Assist. It's a peso-denominated variable life insurance that can cover your medical expenses during hospitalization. It's available in Pay-to-age-65 Variant and it has different packages to choose from depending on your budget.

Now, you can just focus on getting better and living better.

Antonio (age 30, non-smoker) wants an affordable plan that can prepare him for possible hospitalization expenses. He chooses AIA Med-Assist Package B which gives him the following benefits.

HOW IT WORKS

Medical Benefit

Antonio would no longer need to use up all his savings for hospitalization-related expenses because his plan would cover 90% of his total hospital bill. The plan also has a maximum annual limit of P1,000,000.

Daily Hospitalization Income

If his doctor recommend that he gets confined due to a covered illness or injury, Antonio would receive P2,000/day up to 365 days to make up for lost income.

Life Insurance Coverage

In case Antonio passes away, his loved ones will receive a fund equal to either the Face Amount of his plan, its Account Value or the Minimum Life Insurance Coverage** (Whichever is higher).

Waiver of Premium

Antonio's plan also has this supplementary benefit that would waive his Basic Annual and Special Top-up Premiums. This would keep his Life Insurance Coverage intact in case he suffers Total and Permanent Disability.***

AIA Vitality

AIA Med-Assist can also help Antonio live a healthier lifestyle. Plus, he'll even get rewards just by staying active!

* Only one (1) MB Plan is allowed per Life Insured. Upgrade/Downgrade of Medical Benefit Plan is NOT allowed. It will also be suspended if premium is not paid on or before the due date. For insured age 0-17, benefit of the plan would include the life insurance coverage and the medical benefit rider only.

** The Minimum Life Insurance Coverage shall be 500% of the Basic Annual Premium, plus 125% of Top-Ups made and less 125% of withdrawals made. Juvenile Lien for the Life Insurance Benefit will apply for ages 0-5.

*** Only the Life Insurance Coverage would be enforced once the Waiver of Premium takes effect. All other benefits would be terminated
