Philam Life ensures protection of GrabTaxi drivers

Statistics show that at least 257 taxi drivers face road accidents a year, as reported by the MMDA. Be it fatal or not, lives are always at stake. That is why it is important to get insurance not only for the car but for the driver as well.

Philam Life was selected by one of the country's leading transport network vehicle services, Grab, through its insurance broker Jardine Lloyd Thompson (JLT) Philippines, to insure hardworking GrabTaxi drivers who have consistently met the company's requirements. Aside from the comprehensive life, accident and disability coverage, the insurance also extends to the driver's loved ones through the Family Assistance Benefit (FAB), which provides additional cash on top of the life benefit should a driver unexpectedly pass away.

Now, GrabTaxi drivers will be able enjoy life, earning with the assurance of safety and security.
